

New Orleans Indoor Rowing Championships

6TH ANNUAL

2025

A Record Breaking Year at the 6th Annual New Orleans Indoor Rowing Championships!

We are thrilled to share the highlights of this year's New Orleans Indoor Rowing Championships, our largest yet! With over 100 additional entries compared to last year, the excitement was palpable at the race venue, hosted by ErgoFit and St. George's Episcopal School.

It has been an incredible journey growing the event over the past six years from a small local scrimmage into one of the largest indoor rowing championships in the country.

This growth is a testament to the power of organizational partnerships and collaborations, which amplify the impact we can make within our community. The spirit of camaraderie was evident as athletes, volunteers, and spectators supported one another, cheered on each other's achievements, and celebrated remarkable performances together.

This event is more than a competition; it's a celebration of our incredible rowing community and the beauty of collaboration around a shared love for the sport. Thank you to everyone who continues to support the growth of rowing in New Orleans.

What is The Arctic Challenge?

In July 2025, local rowers, Hannah and John Huppi, will join New Orleans Saint Jimmy Graham and Navy SEAL Andrew Tropp, on a historic row across the Arctic Ocean. The team aims to set a World Record and raise a million dollars for charity partners, representing the million meters they will row across the ocean.

NORC Juniors Won 1st Place in the 2hr Team Relay with an impressive 30,680m

Team **PiROWgues** secured the Most Spirited prize, with costumes & enthusiasm to match!
